

Learning by Locals' wish List

S.N	Item	Quantity	Why & Where	Impact
1	Laptops Old/New	9	For the New Computer Lab	LbL aspires to start per week, 2 batches of Photoshop class spread over 6 months and 6 classes of Tally panning over 4 months. Each class to have 10 students. At the same time in the existing Computer lab where we have 8 computers, we want to run 10 batches of Basic computer classes. Together by December, Lbl strives to impact more than 300 students via the Computer Center.
2	Printer	1	For the academic section to be able to generate worksheets and for the Computer Lab	The Academic session will start with 60 Students and by end of August unless limited by COVID will be 90 students and this to increase to 180 in person students before end of quarter
3	Chair	10	For the New Computer Lab	Improvement of the Facility
4	Water Distemper	1	For the Centre	Improvement of the Facility
5	White board	3	One for each of the Center's room (we have 4 rooms in all, and one is already fitted with a white board)	Will Facilitate in Teaching and Learning
6	Mats and Carpets	10	For the three rooms which have bare floors.	For making the Center a comfortable place to be in for Students and Teachers
7	Cupboard	2	For the Teacher and to store the stationary and resource material.	Improvement of the Facility
8	Cooler	2	For the New Computer Lab	Improvement of the Facility
9	Shoe rack	2	For the New Computer Lab	Improvement of the Facility
10	Digital Cameras	2	For the Film Art Lab	With the added equipment LbL will start Film art as Creative Activity and Skill Development class. In the Creative Art classes to 40 students will be benefited and more than 20 students will be professionally equipped.
